SHB 1044 - S COMM AMD

By Committee on Early Learning & K-12 Education

1 On page 1, beginning on line 17, after "that" strike all material
2 through "fewer" on line 18 and insert "meet the following criteria"

3 On page 1, line 19, after "section" insert ":

4 (a) School districts that have a student headcount enrollment of
5 1,000 or fewer students; or

6 (b) School districts that have a student headcount enrollment of
7 3,000 or fewer students that meet the following additional criteria:

8 (i) The school district is located in an educational service
9 district with rural communities that experience prohibitive access to
10 skill centers or other workforce development facilities or programs;

11 (ii) The school district has been unable to secure voter approval
12 to issue bonds for capital purposes in the prior 25 years and has had
13 at least three bond measures rejected by voters in consecutive years
14 during that 25-year period; and

15 (iii) The school district has instructional buildings that do not
16 meet structural, capacity, environmental, or emergency requirements"

EFFECT: Expands eligibility to participate in the grant program
to include school districts with a student headcount enrollment of
3,000 or fewer students that meet the following additional criteria:

(1) The school district is located in an educational service
district with rural communities that experience prohibitive access to
skill centers or other workforce development facilities or programs;

(2) The school district has been unable to secure voter approval
to issue bonds for capital purposes in the prior 25 years and has had
at least three bond measures rejected by voters in consecutive years
during that 25-year period; and

(3) The school district has instructional buildings that do not
meet structural, capacity, environmental, or emergency requirements.
